Relevant Coursework: Cognitive Science, Language and Human Mind, Ethics, Marketing Strategy, Minds and Machines, Data Science, How ChatGPT works, Qualitative Methods

WORK EXPERIENCE

Echo Marketing **June 2026 – August 2026**

Marketing Intern Seoul, Korea

- **Developed U.S. go-to-market strategy** for an activewear brand, Stretch Your Story, benchmarking competitors to position performancewear as everyday lifestyle wear; proposed July product promotion strategy was adopted for the brand's July campaign
- **Translated product USPs into consumer messaging**, turning fabric features into benefit-led creator content guidelines and paid ad creative direction; proposed ad concepts were launched and **drove customer purchases**
- **Scaled creator marketing to 300–400 creators per month**, segmenting by category and audience fit to find the most responsive segments and achieving a **200%+ higher creator acceptance rate** than external agency campaigns
- Managed the full creator funnel, from gifting to affiliate and paid usage, analyzing drop-off by product and segment and delivering weekly recommendations to leadership that set monthly product priorities

KIC Silicon Valley **June 2025 – August 2025**

Intern San Jose, CA

Korean government based startup accelerator

- Managed the accelerator's LinkedIn presence, planning and publishing event promotion and program content that grew the follower base and increased post engagement
- Drove engagement and **membership growth for 200+ member companies** through onboarding and targeted communications, tracking program KPIs for mid-term reports
- Conducted market research on AI data centers, SaaS, ICT growth, and U.S.–Korea tariffs, turning findings into weekly and mid-term reports for government stakeholders

Extreme Tech Challenge **June 2025 – August 2025**

Intern Palo Alto, CA

Global tech innovation competition

- Participated in the **UN World Food Forum Startup Innovation Awards 2025** (in partnership with Extreme Tech Challenge), supporting the evaluation and selection of startups across agrifood innovation, climate resilience, and digital transformation.
- Engaged in **startup pitch sessions** with founders and executives, assessing business models, scalability, and potential global impact

EXTRACURRICULARS

Korean International Student Association (KISA) **August 2023 – Present**

Public Relations Team, Board Member Ann Arbor, MI

- Organized **10+ cultural, social, and networking events**, strengthening the Korean community and fostering meaningful cross-cultural exchange on campus
- Developed and executed targeted **social media campaigns**, increasing event attendance by **40%** and boosting overall engagement among students
- Built an inclusive environment by connecting **100+ members** with resources and opportunities for cultural understanding and professional growth

Seoul Juice **August 2023 – Present**

Lead and Vocalist - < Korean-American band> Ann Arbor, MI

- Directed **30+ live performances**, overseeing musical direction, logistics, and coordination of a five-member group to deliver high-quality shows
- Demonstrated adaptability and leadership under pressure, contributing to **sold-out events** and increased visibility for the group within the local community
